

# **Athlete Tracking Project**

## **Final Report**

**Prepared by Harun Yahya Ünal - 210706015**

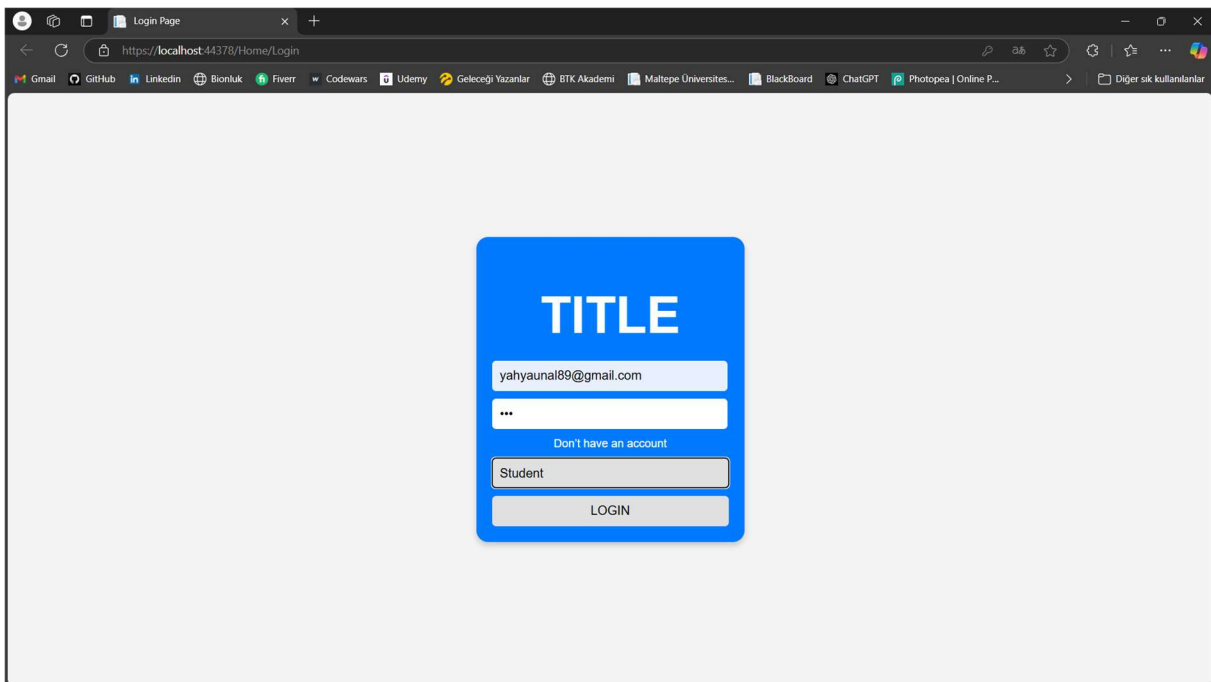

There are three users for this website: Admin, Instructor, Student

First of all, you have to login the system.

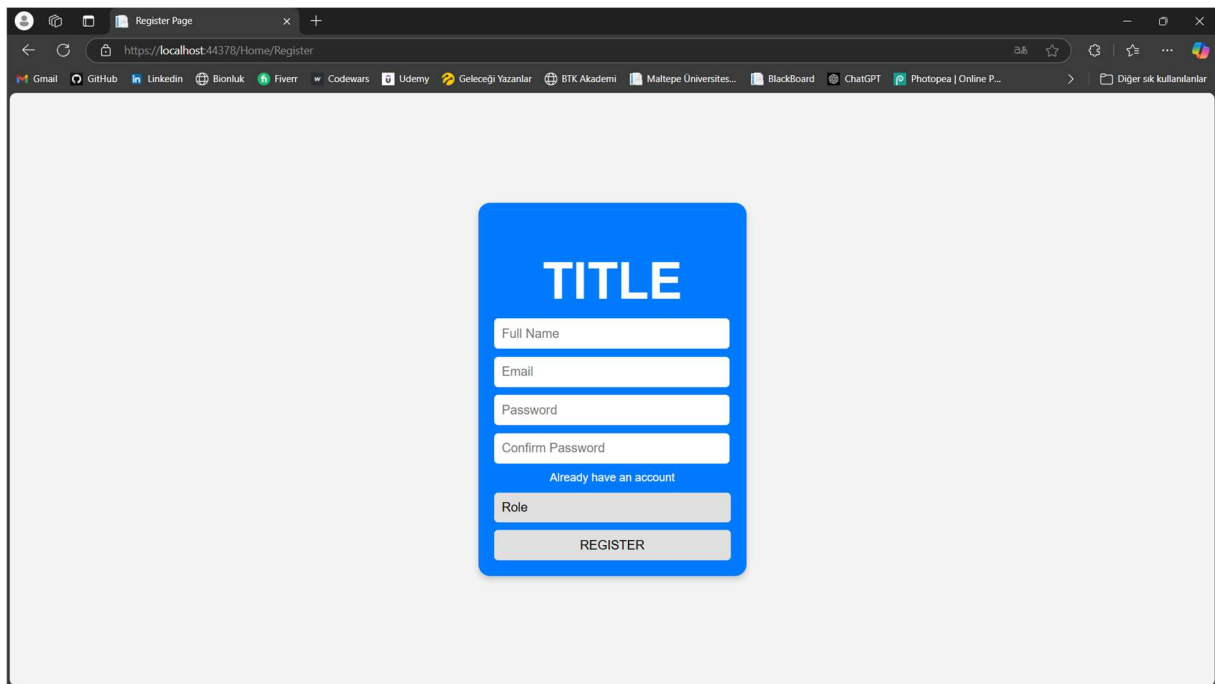

The screenshot shows a web browser window with the address bar displaying `https://localhost:44378/Home/Login`. The browser's tab bar includes various icons and the text "Login Page". The main content area is a light gray rectangle. In the center is a blue rounded rectangle representing a login card. At the top of the card is the word "TITLE" in white. Below it is an email input field with the text "yahyaunal89@gmail.com". Underneath the email field is a password input field represented by three dots. Below the password field is a link that says "Don't have an account". Below that is a "Role" dropdown menu, and at the bottom of the card is a "LOGIN" button.

There is a role section. You have to select the role that you want to log in with.

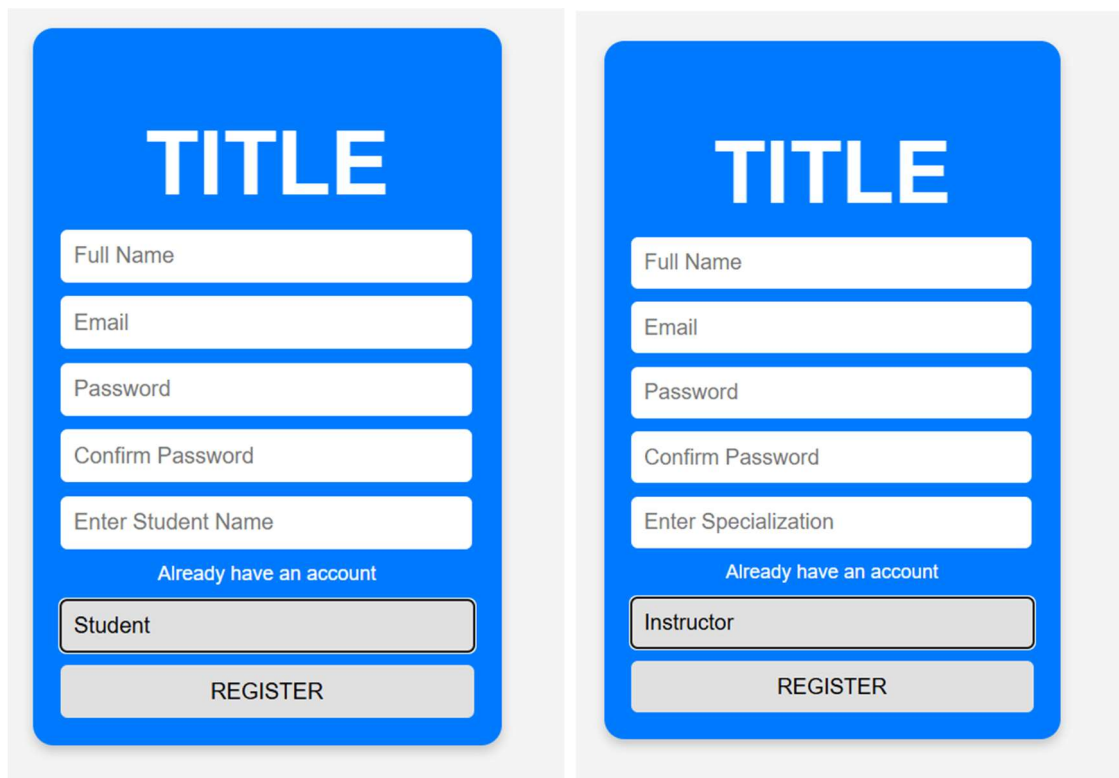

This screenshot is identical to the previous one, showing the same login page. The only difference is that the "Role" dropdown menu now has "Student" selected and displayed within the field.

If you don't have an account, you can create one by clicking on "Don't have account" text.

The screenshot shows a web browser window with the address bar displaying "https://localhost:44378/Home/Register". The browser's tab is labeled "Register Page". The page content is a registration form with a blue header containing the word "TITLE". Below the header, there are five input fields: "Full Name", "Email", "Password", "Confirm Password", and "Role". Below the "Role" field, there is a link that says "Already have an account". At the bottom of the form is a "REGISTER" button.

There is a role selection in this page. There is space for you to enter additional information depending on the role you choose.

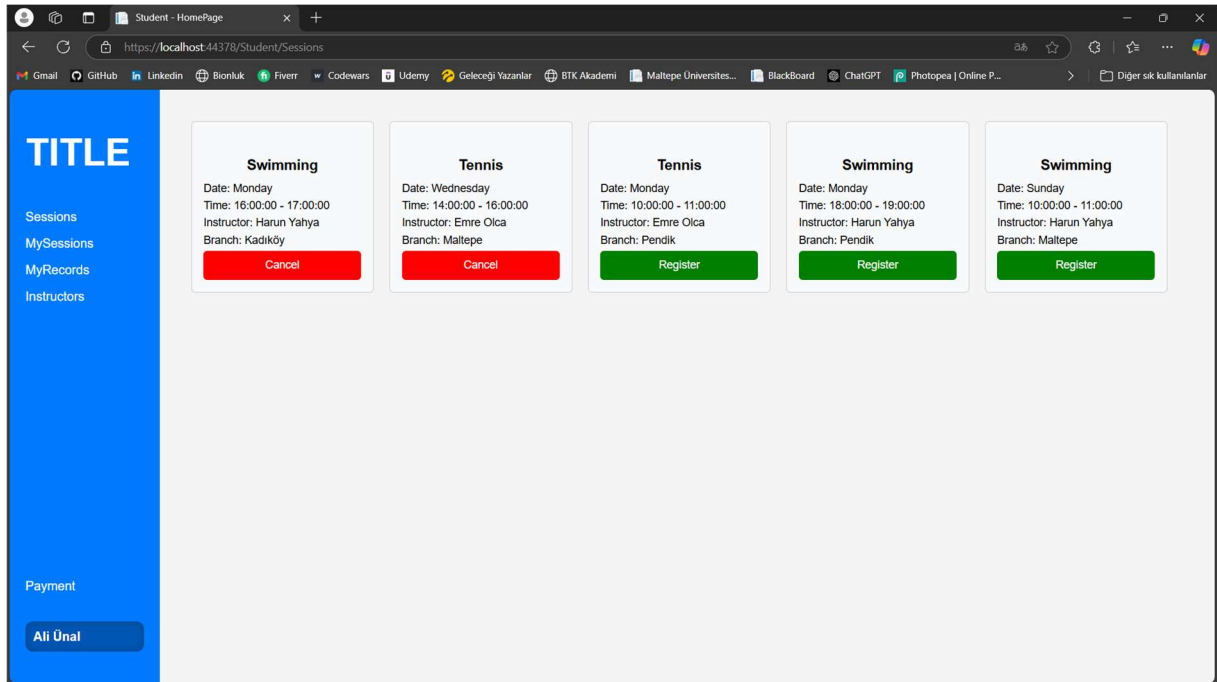

The image shows two side-by-side registration forms, both with a blue header containing the word "TITLE".

The left form is for a "Student" role. It has five input fields: "Full Name", "Email", "Password", "Confirm Password", and "Enter Student Name". Below the "Enter Student Name" field, there is a link that says "Already have an account". At the bottom of the form is a "REGISTER" button.

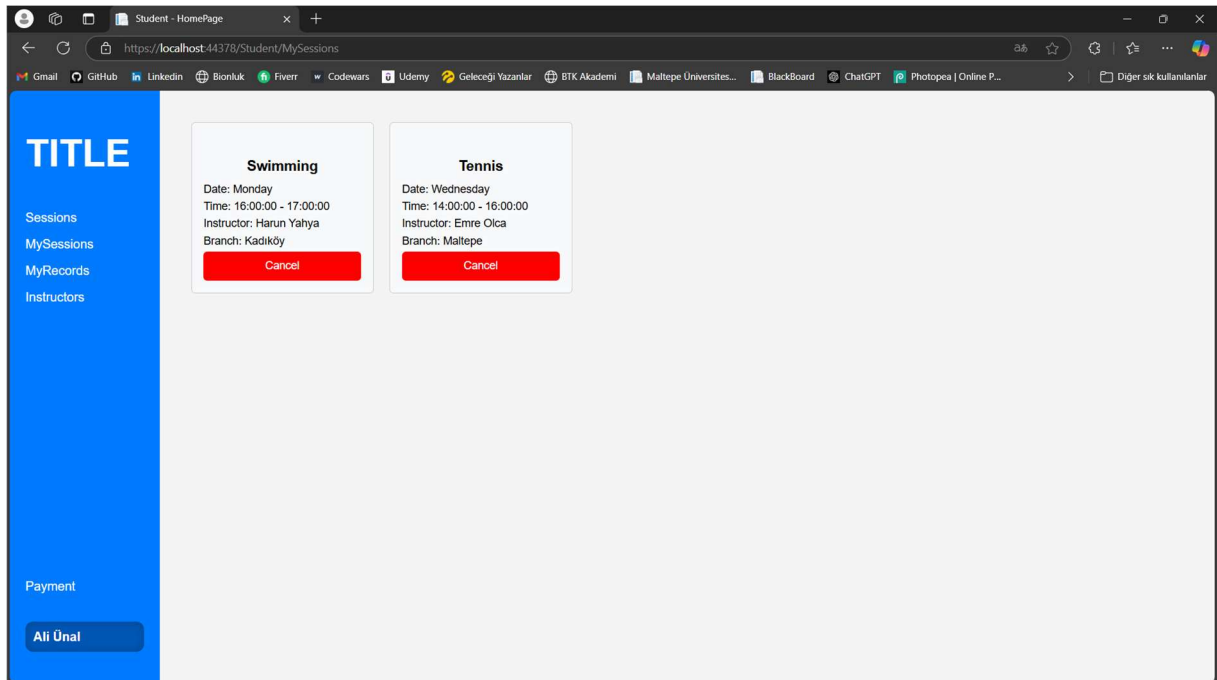

The right form is for an "Instructor" role. It has five input fields: "Full Name", "Email", "Password", "Confirm Password", and "Enter Specialization". Below the "Enter Specialization" field, there is a link that says "Already have an account". At the bottom of the form is a "REGISTER" button.

## For Student:

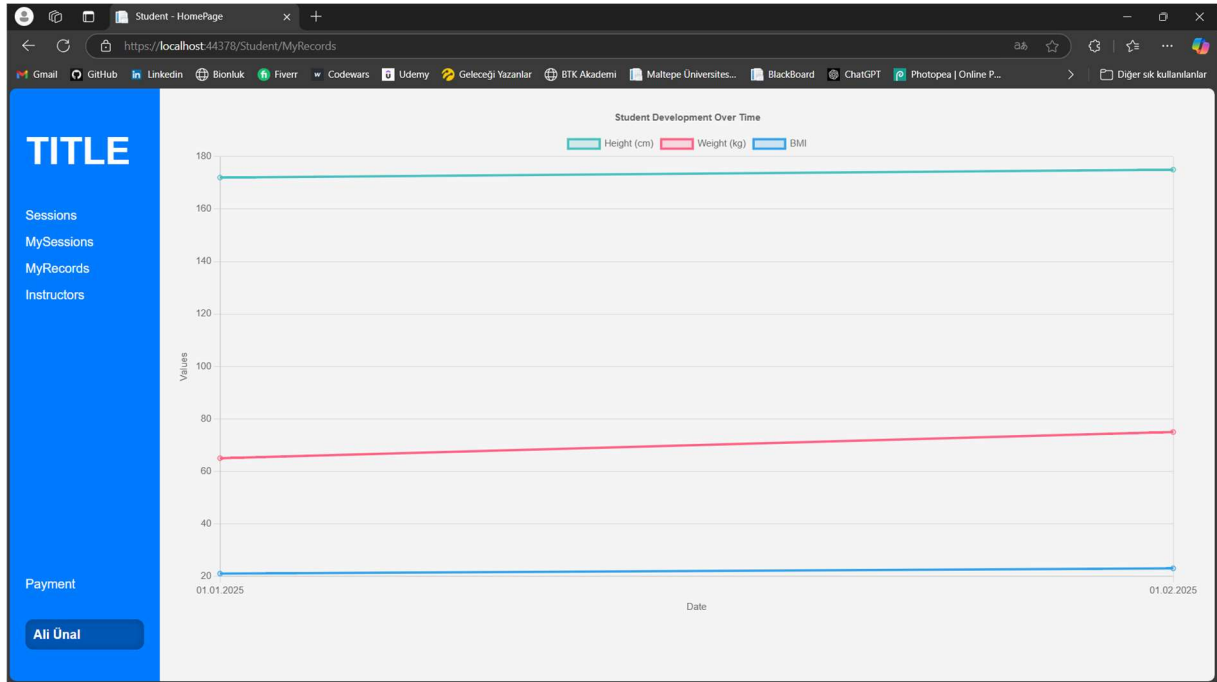

There are six part (Sessions, MySessions, MyRecords, Instructors, Payment, UserInfo). Student can see all sessions in the session pages and can register to a session or cancel a session.

In mySession page student can only see the session he/she registered and cancel it.

In the MyRecords page student can see the growth records that entered by his/her instructor in a chart.

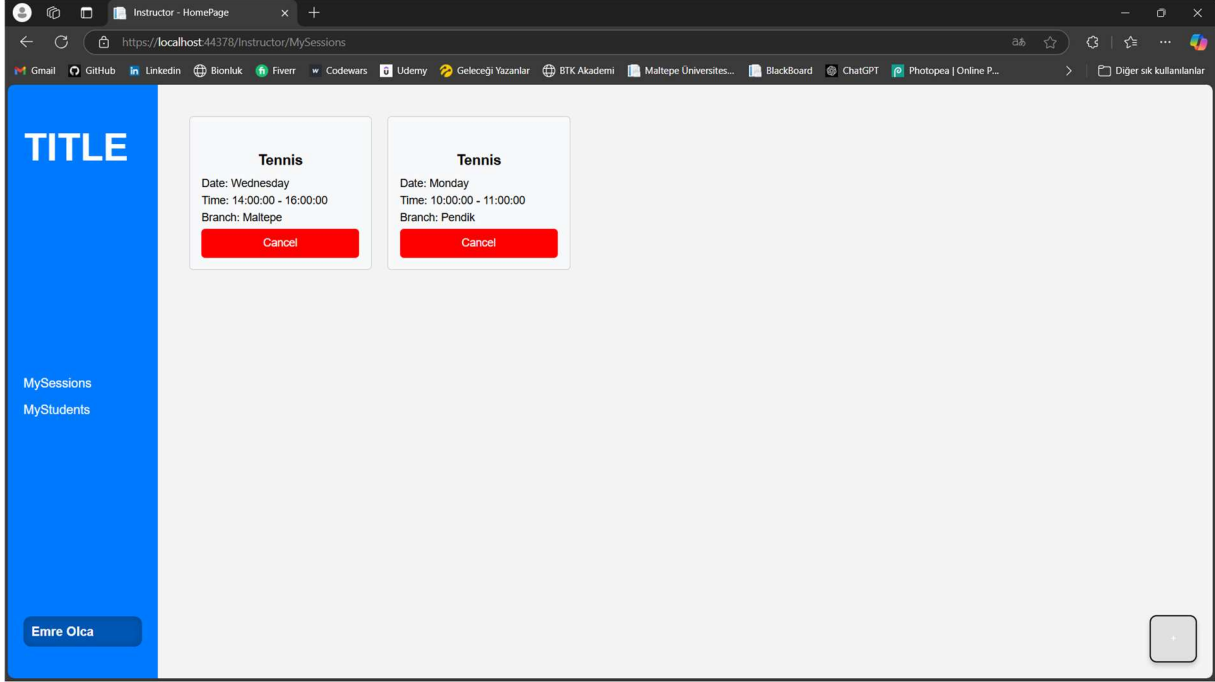

Student can manage the payment in the PaymentPage.

The screenshot shows the PaymentPage of the web application. The left sidebar is identical to the previous page. The main content area features a grid of 12 payment cards, one for each month of the year. Each card displays the month name, the amount 'Amount: 100,00\$', and a blue 'Pay' button. The cards for January and February are green, while the others are red.

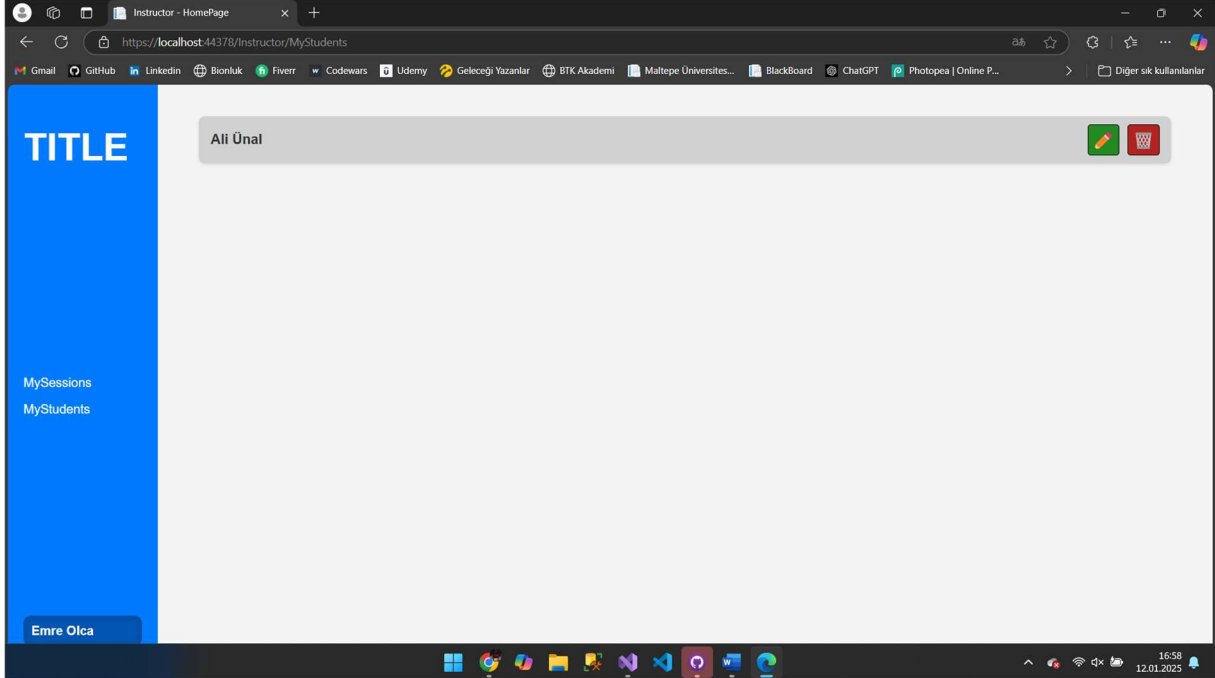

Month	Amount
January	100,00\$
February	100,00\$
March	100,00\$
April	100,00\$
May	100,00\$
June	100,00\$
July	100,00\$
August	100,00\$
September	100,00\$
October	100,00\$
November	100,00\$
December	100,00\$

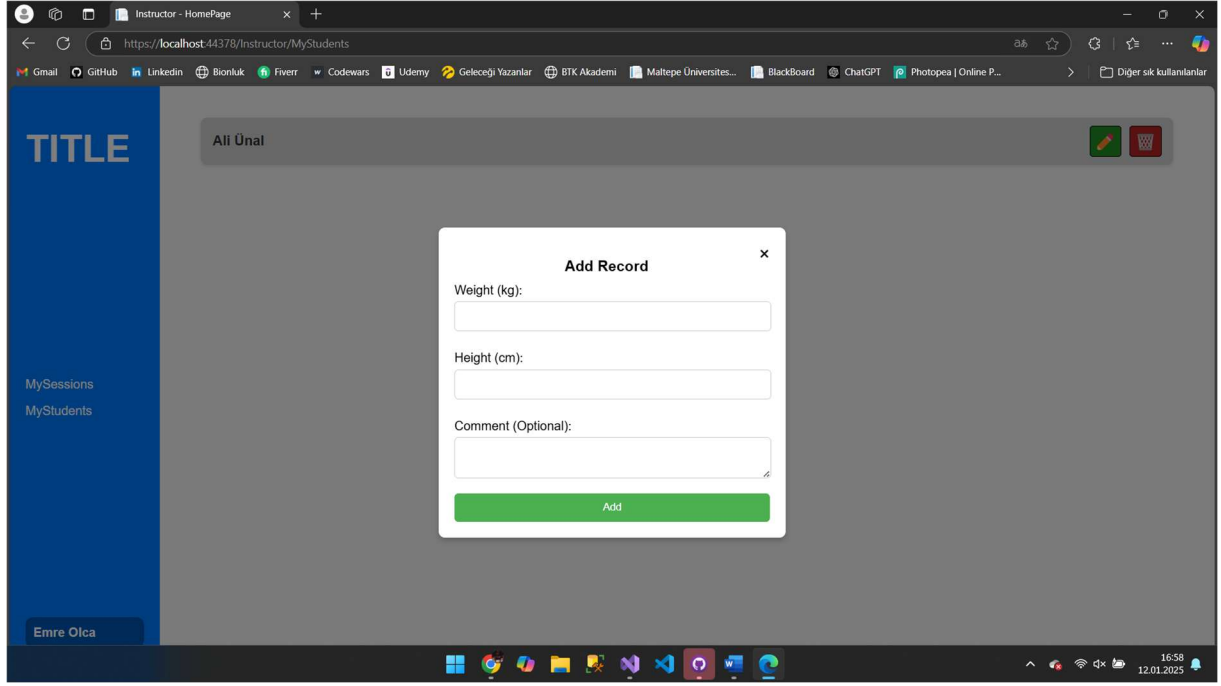

## For Instructor:

There are three part (MySessions, MyStudents). Instructor can see all her/his sessions in the mySession pages and can add or cancel a session.

Instructor can see the students, add record for them in my students part.

Admin could not developed.
